📍 Can't find your location?

We offer mobile fingerprinting services and can visit your business or organization. Contact us for custom arrangements.

How It Works

A simple, straightforward process from appointment to results

1

Schedule Appointment

Choose your preferred date, time, and location. We offer flexible scheduling options.

2

Visit Us or We Visit You

Come to one of our offices or request our mobile service to your location.

3

Get Fingerprinted

Our certified technicians will capture your fingerprints using digital technology.

4

Receive Results

Electronic results delivered securely to you and your relevant agencies.

What Our Clients Say

Trusted by hundreds of satisfied customers and businesses

"Professional service from start to finish. The mobile service was incredibly convenient for our office."

John Smith

Business Owner

"Fast turnaround time and excellent customer support. Highly recommended for employment screening."

Sarah Johnson

HR Manager

"Easy scheduling, friendly staff, and same-day results. Couldn't ask for better service."

Mike Chen

Individual Client
